Re: Enrollment for the 2020-21 School Year

Dear Parents,

West Valley Chinese Academy (WVCA) has been providing first-class Chinese language education in the San Fernando Valley area for 18 years. Our school distinguishes itself from other language schools for its small-class sizes, experienced teachers, cultural activities, dedicated volunteers, and our remarkable students and families. This year, during this critical pandemic time and when school has to close its in-class learning, WVCA has acted seamlessly to bring the virtual learning to our students so their Chinese study for the school year is uninterrupted. We are very proud of and thankful to our amazing WVCA teachers and administrators for making this possible.

We have now started the enrollment for the 2020-21 school year. As for next year we will make decisions upon LAUSD and health department's guidelines. We will evaluate the situation and make decisions that best protect the health of our families and teachers.

The enrollment form can now be filled out online on the WVCA website. New students and families are welcome to submit their application and join our school community.

If you have any questions, please do not hesitate to contact us at (818) 381-9822, or by email at wvca@wvchineseacademy.org.

Thank you for your support of West Valley Chinese Academy. We look forward to seeing you either virtually or in class on the first day of school, August 23th, 2020.

Sincerely,

Min Liang
Principal of Academic Affairs
